## Hive Happenings

Frog Street Press

Letters L, M, N

#5, #6

Colors: Black and White

Shape: Rectangle

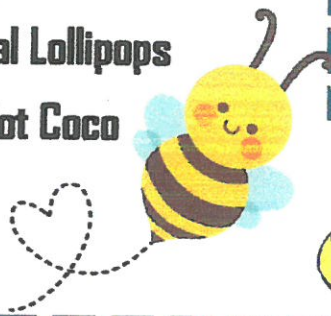

**Handwriting with out tears:** We will continue to implement this program by practicing our hand grip, using our wooden pieces, build letters and pre writing worksheets. Hunt for letters that belong in your child's name during your daily activities.

**Math Your Way:** We will compare lengths, masses, quantities and volumes. We will practice measuring with non-standard units and test predictions. Have your child weigh the fruit on the grocery store scale. We will work on comparing objects in the room and decide what there is more or less of.

**Science:** Cotton Candy lollipops, making snow, melting ice and animals that live in the cold.

**Art:** Ice Skates, finger print ladybug, spin art, hot coco craft and free painting exploring.

**Fun Friday:** 11<sup>th</sup> Making special Lollipops  
18<sup>th</sup> Homemade Hot Coco

## Buzby with the Bible lesson.

We will continue to read God's word and teach each other kindness.

Chapel lessons: Epiphany Mathew 2:1-12

Zacchaeus Luke 19:1-10

## Sweet Reminders

- No School 1/21
- No School (Teacher Conference) 1/24-1/25
- **RODEO DAY: 1/16 & 1/17**
- "tell me and I'll forget. Show me and I may remember. Involve me and I learn."

-Benjamin Franklin

I challenge you this month to spend some extra fun learning time with you child. Ideas can be as simple and sorting the laundry in color piles or counting the forks while they help put away dishes. I can help you if you need other fun ideas. Learning always needs to be enjoyable at this age!
