❄️ January 2019 ❄️

## Learning Stampede:

We will be learning all about the winter season this month! We will paint snowmen, explore with play snow, read fun winter books, skate on “ice” with our paper plate ice skates, and even do a few cool science experiments relating to winter. We will focus on comparing lengths with string and other materials, as well as comparing quantities of items in jars, and the volume of liquids. We will also learn about weighing things using different types of scales. We will continue to use our Handwriting without Tears curriculum, and more time drawing and “writing” in our journals

## REMINDERS:

There is **No School** on Monday, January 21<sup>st</sup> for Martin Luther King Day **and** Thursday and Friday, Jan 31<sup>st</sup> & Feb 1<sup>st</sup> for our **Early Childhood Conference.**
